**The Company recognizes and accepts its responsibility as an employer for providing a safe and healthy workplace for its employees and others (contractors, visitors and members of the public) who may be affected by its work.**

The company undertakes to comply with all statutory health and safety requirements.

The company wishes to adopt all other reasonably practicable means to eliminate hazards and reduce the risk of injury to its employees and those already mentioned above, and the risk of damage to its property.

**The Company will ensure resources are made available to provide:**

- Plant, equipment and systems of work that are safe and without risks to health.
- Safe arrangements for the use, handling, storage and transport of products and devices.
- A safe place of work with safe access to it and safe egress from it.
- A healthy working environment
- Adequate welfare facilities and arrangements.
- Sufficient information, instruction, training and supervision to ensure all employees are aware of the hazards at their workplace together with the necessary measures to be taken to protect against these hazards.
- A monitoring, inspection and auditing procedure to ensure the effective management of health and safety throughout the company.

The Company has prepared or is preparing policy statements, codes of practice and guidance notes on individual health and safety issues.
