

Motokit®

Accident, Emergency and Vehicle Breakdown Kit

**Safely Manage a Roadside Emergency.
Specifically Designed for Vehicle use.
Robust Clamshell Designed Bag.**

An essential for the discerning driver wanting to be prepared for any roadside incident. Contains many essential items required to keep you safe while on the side of the road. A collapsible warning triangle and high visibility vests make other road users aware in the event of a breakdown. The first aid kit and fire extinguisher are specifically designed for vehicle use. The kit contains many other items that are invaluable for both driving safety and roadside emergencies.

**MOTOKIT ACCIDENT, EMERGENCY AND BREAKDOWN KIT
