

Torch First Aid Kit

in Green Torch Box, ideal for holiday use, camping and travelling

First Aid Kit formed with an impact resistant plastic case including carry handle and integrated torch.

A small and practical first aid kit designed to care for your family's first aid needs when on holiday, camping or travelling. Contains essential first aid items for minor injuries.

Manufactured with the durability of a petrol container, this tough and compact kit incorporates a powerful torch with a switch built into the carry handle, and a side clasp to keep the first aid items secure.

Torch First Aid Kit - in Green Torch Box
