

Practical Storage with Security

Indoor Metal Wall Cabinets

Ideal first aid room cabinet.

Secure storage for supplies.

Suitable for clinical environments.

Durable stove-enamelled construction.

Supplied with two keys, wall fixings and identity sticker.

End storage problems in First Aid rooms and similar environments with these strong enamelled and locking metal wall cabinets. Both supplied with a set of two keys, these cabinets will provide a safe and secure home for emergency or back-up first aid products. Finished in a hard-stove and clinical white enamel, not only do these cabinets look smart, but also offer security, protection and, in the case of the Budapest, the ultimate in space and versatile internal storage with refrigerator style shelves incorporated into the doors. Both supplied with 'First Aid Cross' stickers.

**Note: not intended or suitable for the storage of pharmaceuticals.*
